Petition Form for Travel to a High-Risk Destination: Employees

Faculty and Staff planning to conduct university-sponsored travel to a high-risk destination due to COVID-19 and other risks such as crime, terrorism, or civil unrest, etc. should complete this form and submit it to their University Senior Representative for review.

Oregon State University’s International Travel Policy defines a high-risk destination as: Countries, regions, or cities under a U.S. Department of State Level 3 or 4 Travel Advisory or a Centers for Disease Control and Prevention (CDC) Level 3 or 4 Warning. In certain circumstances, the University may also apply the “High-Risk” designation to a location that poses a specific health or safety concern.

- Please complete this Petition Form and forward it to Global Opportunities international.travel@oregonstate.edu.
- Upon receiving approval, please complete OSU’s International Travel Registry if you have not done so already.
- Within 3-5 days, you should receive notification of enrollment in OSU’s International Accident & Sickness Insurance Plan.
- If you have any questions about completing this form or locating risks and mitigation information for your destination, contact us at international.travel@oregonstate.edu.
